

## BIOGRAPHY

Two world class tribute acts all in one package...

This blistering two hour plus tour de force concert extravaganza pays homage to diamond recording artists **BON JOVI** and **JOURNEY**. Two iconic, legendary bands that have ruled the radio airwaves and concert tour charts for over four decades.

ROXSHOW impeccably recreates two of the biggest tours in music history. **BON JOVI'S** 2010 Circle tour, that topped Pollstar for three years, and **JOURNEY'S** sold out 1986 Raised on Radio tour, that was the subject of an MTV documentary and showcased the band at the pinnacle of their success. **ROXSHOW** has meticulously recreated both acts with an uncanny attention to detail that makes for a jaw dropping evening of headlining entertainment.
